#### **§ 17.106 Authority for disciplinary action.**

The good conduct of beneficiaries receiving hospitalization for observation and examination or for treatment, or receiving domiciliary or nursing home care in facilities under direct and exclusive jurisdiction of the Department of Veterans Affairs, will be maintained by corrective and disciplinary procedure formulated by the Department of Veterans Affairs. Such corrective and disciplinary measures, to be selectively applied in keeping with the comparative gravity of the particular offense, will consist, in respect to hospital patients, of such penalties as the withholding for a determined period of pass privileges, exclusion from entertainments, or disciplinary discharge; and, in respect to domiciled members, such penalties as confinement to sections or grounds, deprivation of privileges, enforced furlough, or disciplinary discharge. Also, for any violation of the Department of Veterans Affairs rules set forth in § 1.218, or other Federal laws on Department of Veterans Affairs property, a beneficiary is subject to the penalty prescribed for the offense.

### CEREMONIES

#### **§ 17.110 [Reserved]**

#### **§ 17.111 Services or ceremonies on Department of Veterans Affairs hospital or center reservations.**

(a) Services or ceremonies on Department of Veterans Affairs hospital or center reservations are subject to the following limitations:

(1) All activities must be conducted with proper decorum, and not interfere with the care and treatment of patients. Organizations must provide as-

urance that their members will obey all rules in effect at the hospital or center involved, and act in a dignified and proper manner;

(2) Partisan activities are inappropriate and all activities must be non-partisan in nature. An activity will be considered partisan and therefore inappropriate if it includes commentary in support of, or in opposition to, or attempts to influence, any current policy of the Government of the United States or any State of the United States. If the activity is closely related to partisan activities being conducted outside the hospital or center reservations, it will be considered partisan and therefore inappropriate.

(b) Requests for permission to hold services or ceremonies will be addressed to the Secretary, or the Director of the Department of Veterans Affairs hospital or center involved. Such applications will describe the proposed activity in sufficient detail to enable a determination as to whether it meets the standards set forth in paragraph (a) of this section. If permission is granted, the Director of the hospital or center involved will assign an appropriate time, and render assistance where appropriate. No organization will be given exclusive permission to use the hospital or center reservation on any particular occasion. Where several requests are received for separate activities, the Director will schedule each so as to avoid overlapping or interference, or require appropriate modifications in the scope or timing of the activity.
